Robofy

# Chatbot Use-Cases

Marketing

## Generate and qualify leads

Create an AI chatbot to gather, qualify, and convert leads on your website and WhatsApp.

Customer Support

## Automate customer support

An AI chatbot that automatically answers common questions, reducing support costs.

White Label Reseller

## Grow your revenue

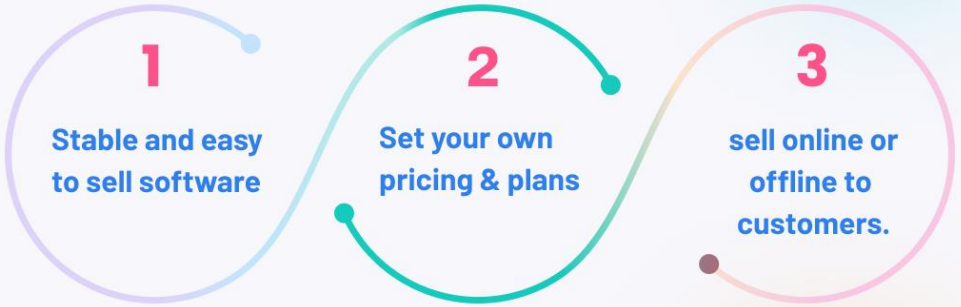
Create white-label chatbots with your branding and resell at your price.

Robofy

# What is Robofy White label?

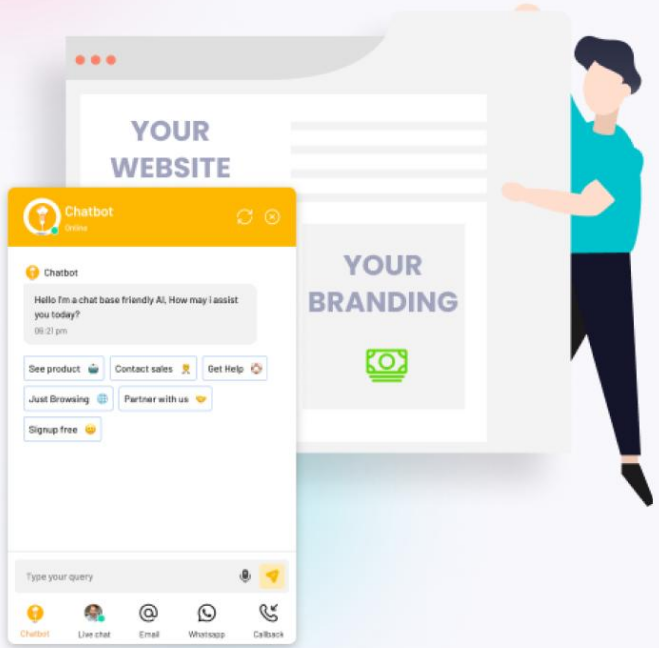
Robofy white label reseller program allows partners to sell products and services under your own brand name.

This program is suitable for companies that want to expand their product offering without the need to develop their own software from scratch.



Robofy

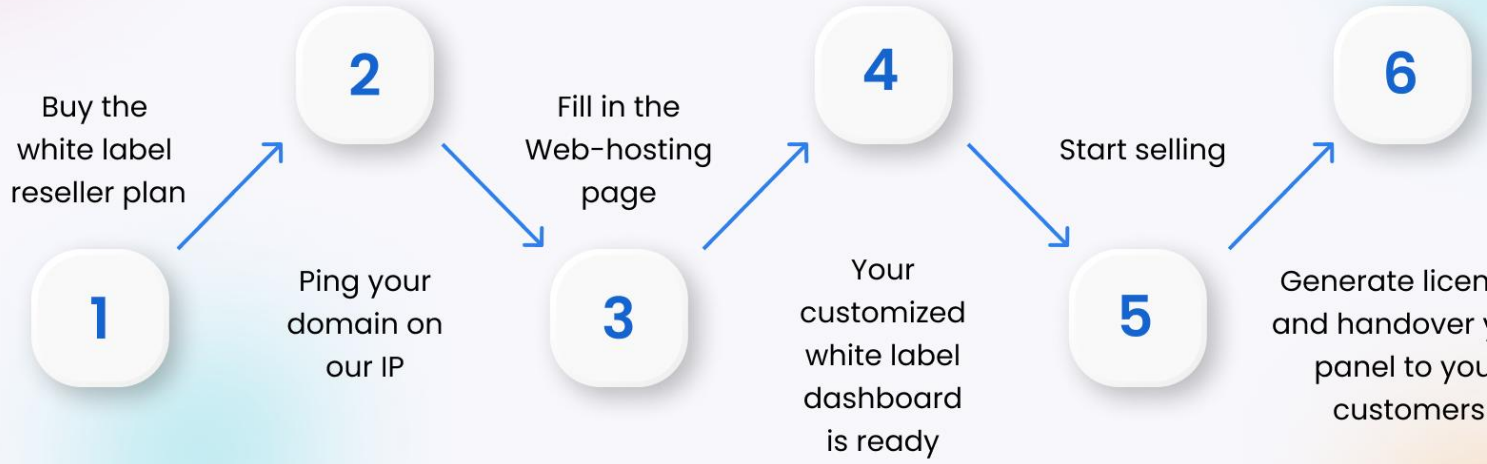
# Benefits of White label



1. Your own branding and prices
2. Low investment
3. Easy to sell
4. Unlimited earnings

Robofy

# Steps to follow after you become a reseller



1 Resell online → 2 Make Money → 3 Repeat

Robofy

# Income Calculator

## How much revenue can you earn per month?

| Years | Clients | USD Revenue | |
|---|---|---|---|
| | | Per Month Revenue | Yearly Revenue |
| 1 | 60 | 2400 | 28800 |
| 2 | 120 | 4800 | 57600 |
| 3 | 180 | 7200 | 86400 |
| 4 | 240 | 9600 | 115200 |
| 5 | 300 | 12000 | 144000 |

Note: Calculations based on assumptions that every month you are getting 5 new customers. Each customers is paying you USD 40 per month.
